Retraction notice

The article UTOPIA ÎN OPERA LUI LUCIAN BLAGA – author Albu Luminița (pp. 14-21, CLB 3)– No plagiarized fragments were identified, but the topic is insufficiently worked out and the critical ideas inconsistently formulated. Considering this issue regarding the article, it was pulled from the volume and the author notified regarding this decision.

The article SIMBOLURI BIBLICE. POEMUL DRAMATIC „ZAMOLXE” – author Nistor Ana-Maria (pp. 47-55) – mentions a source incorrectly, the quotation marks being absent. It is a 44-word text not marked appropriately with quotation marks, even though the source is listed by the author by inserting a partial quotation. For this reason, we consider the text to be flawed, therefore the publication criteria are not met. Considering this problem regarding the article, it was pulled from the volume and the author was notified regarding this decision.

The article LUCIAN BLAGA ȘI ESTETICA BAROCULUI – author Badea Adrian (pp. 27-38, CLB 3) evinces a high plagiarism percentage, identified by the anti-plagiarism software, with at least 7 sources which are not mentioned by the author. Considering this serious issue regarding the article, it was pulled from the volume and the author was notified regarding this decision.
