

CONTENTS

Preface; <i>The Editors</i>	
<u>Aspects concerning the superficial liquid flow in the Târnavă Mare River middle hydrographic basin (Transylvania, Romania);</u> <i>Valer DOBROS</i>	1.
<u>Characteristics of the relief from the central-eastern part of the Târnavelor Plateau, with reference to present modelling and the associate geomorphologic risk (Transylvania, Romania);</u> <i>Marioara COSTEA</i>	7.
<u>Stratigraphic considerations on the southern sector of the Târnavă Mare Plateau (Transylvania, Romania);</u> <i>Rodica CIOBANU</i>	23.
<u>Macromycetes of the Breite Nature Reserve of ancient oaks, (Transylvania, Romania);</u> <i>Livia BUCȘA</i>	33.
<u>The riverside thickets of the Saxon Villages area of south-east Transylvania (Romania);</u> <i>Constantin DRĂGULESCU</i>	43.
<u>Xerophilous and Xero-Mesophilous grasslands on slumping hills around the saxon villages Apold and Saschiz (Transylvania, Romania);</u> <i>Erika SCHNEIDER-BINDER</i>	55.
<u>Ruderal flora of the Saxon Villages (Transylvania, Romania): a neglected conservation constituency;</u> <i>John AKEROYD</i>	65.
<u>The challenge of High Nature Value grasslands conservation in Transylvania (Romania);</u> <i>Andrew JONES</i>	73.

<u>The xero-mezophilic and xerophilic grasslands of <i>Festuco-Brometea</i> class in the Sighișoara - Târnava Mare potential Natura 2000 site (Transylvania, Romania);</u>	
<i>Silvia OROIAN, Mariana HIRIȚIU and Manuela CURTICĂPEAN</i>	83.
<u>Aspects regarding the terrestrial malacofauna of the Saxon Villages area of Southern Transylvania (Romania);</u>	
<i>Voichița GHEOCA</i>	127.
<u>Benthic macro-invertebrate and fish communities of some southern Târnava Mare River tributaries (Transylvania, Romania);</u>	
<i>Angela CURTEAN-BĂNĂDUC and Doru BĂNĂDUC</i>	135.
<u>Regional distribution, dynamic and determinants of breeding pond use in <i>Pelobates fuscus</i> (Amphibia) in the middle section of the Târnava Mare Basin (Transylvania, Romania);</u>	
<i>Tibor HARTEL, Kinga ÖLLERER and Cosmin-Ioan MOGA</i>	149.
<u>The herpetofauna of the Sighișoara area (Transylvania, Romania);</u>	
<i>Ioan GHIRA</i>	159.
<u>Distribution, population size and dynamics of the white stork (<i>Ciconia ciconia</i> L.) in the Hârtibaciu River basin (Transylvania, Romania);</u>	
<i>Ferenc Kosa and Tamas Papp</i>	169.
<u>The importance of the riparian forest habitat for bird species richness in the Târnava Mare Valley (Transylvania, Romania);</u>	
<i>Cosmin Ioan MOGA and Kinga ÖLLERER</i>	179.
<u>Small Mammals (Insectivora and Rodentia) from the Agnita - Sighișoara area (Transylvania, Romania);</u>	
<i>Ana Maria BENEDEK.....</i>	187.
<u>Future land use change in a traditionally farmed landscape in eastern Europe (Transylvania, Romania);</u>	
<i>Martha COWELL</i>	199.
